Dear Traci:

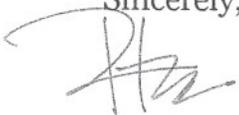

Thank you to you, Larry Adkinson and David Townsley for helping to make the September 24 matchmaker event a success.

Everything ran smoothly and looked beautiful. Many people commented on how great the ballrooms and general areas looked.

The audio-visual had a wow impact and the IT ran smoothly. All of the rooms looked very impressive and were highly functional.

It was a great pleasure to work with you and your team. You made everything seem effortless.

Sincerely,

Regina Lewis
